## Skate youngsters are in the money

Following a presentation given to the Kent County Council Youth Capital Fund panel by members of the Edenbridge Youth Forum and local skateboarders and BMX bikers the Edenbridge Outdoor Youth Provision Group has been awarded £55,000 - the money is to be used towards the replacement of the skate/BMX ramps at Blossoms Park.

Plans are in place to secure the additional funding needed to carry out the major improvements to Park View play and sports area on the Stangrove Estate, and the Penn sports cage on Spitals Cross.

The Outdoor Youth Provision

Group was created following pressure from skateboarders and BMXers after the closure of the old ramps and grew to include the other areas in response to the findings of the Youth Forums' Outdoor Play Area Inspection report.

The group is comprised of members of Edenbridge Youth Forum, the BMX/skateboard community, Sevenoaks and Edenbridge District and Town Councils and West Kent Extra the community development charity of West Kent Housing Association.

The young people will be attending the Edenbridge Town Council planning meeting on Monday July 27 when the news will be announced to the Council

The new Edenbridge Town sign which stands by the river Eden at the south entrance to the town was officially dedicated by the Town Council chairman Terri Scanes and the Rev Stephen Mitchell of Edenbridge Parish Church.
